

Stage 2 Golf Classes

Thank you for your interest in the Intro to Golf classes being held at AUT Golf Swing Clinic (GSC). These classes are designed for beginners to give you a chance to enjoy the game so many people around the world are addicted to.

The 6 week course will be taken by Golf Instructor Robin Smalley.

The sessions are 1 hour long giving you time to pick up skills and make sense of what you are learning, and hopefully improve your game for the better.

Our goal for these classes is to give you a taste of the game and to encourage you to play a round once in a while, join a club or hopefully play for the rest of your life.

If you have your own golf clubs please bring them, if you need any please advise us so we can have some available for you to use on the day.

Golf requires practice and we would encourage you to use the Golf Swing Clinic during the week.
