## Gender & Diversity Research Group Postgraduate Research Grant

**Purpose:**

- The purpose of this grant is to support and encourage Research Masters or PhD students interested in researching in the broad area of gender and diversity issues.

**Closing Date:**

- 4.00pm, 30 November 2011

**Amount and Type of Award**

- \$3,000 dollars is to be awarded to a Research student at Masters or PhD level. Two thirds will be paid upfront and the final one third will be paid when the report has been completed and approved by the Gender and Diversity Research Group
- The \$3,000 dollars will be awarded for a full-time or part-time student. The grant is intended to support a postgraduate student with a thesis-based research project in the Gender & Diversity research area for one year.
- The research will commence at the beginning of the 2012 academic year.
- All enquiries about the research should be directed to Prof. Judith Pringle. Email: [judith.pringle@aut.ac.nz](mailto:judith.pringle@aut.ac.nz)

**Number offered**

- One

**Tenure**

- 1 year

**Selection Criteria:**

- The grant is open to full-time and part-time students enrolled at AUT who are qualified to commence the thesis of a Masters or PhD degree at AUT
- Applicants must be NZ citizens or permanent residents
- An applicant's thesis must focus on the Gender & Diversity research area
- The grant should be used towards a thesis-based research project.
