

# COMPUTING & MATHEMATICAL SCIENCES PHD SCHOLARSHIP

---

## CLOSING DATE: 1 FEBRUARY 2012 AND 1 AUGUST 2012

The purpose of this scholarship is to support students in Doctoral Studies within the School of Computing and Mathematical Sciences.

### AMOUNT AND TYPE OF AWARD

- The scholarship is available for full-time PhD study only.
- The scholarship is available for new enrolments only.
- The maximum value of this scholarship is NZ\$25,000 as a stipend for living expenses and PhD Fees.
- The School reserves the right not to award the maximum amount.

### TENURE

- One year, renewable for up to a maximum of three years.

### APPLICATION REQUIREMENTS

- AUT Scholarship Application Form.
- Academic Transcript.
- Research proposal.
- Evidence of other Funding obtained (if appropriate).
- Supporting letters from at least three referees.

### CRITERIA

- The applicant has demonstrated academic excellence and potential.
- Excellence of the D1 research proposal.
- Fitness of research proposal to School research strategy and mission.
- Potential for other sources of funding (internal and/or external) to support the PhD.
- Strong support from at least three referees.
- Fulfils the criteria for acceptance into AUT's PhD programme.

### SELECTION

- Applicants will be considered by the School of Computing and Mathematical Sciences Selection Panel.
- No scholarship will be awarded upon any occasion if the panel is of the opinion that there is no applicant of sufficient merit applying for the award.

### CONDITIONS OF ACCEPTANCE

- This scholarship may not be held in conjunction with any other equivalent PhD scholarship.
- The School of Computing and Mathematical Sciences reserves the right to use the names, photographs and details of successful recipients for promotional purposes.
- The School may, from time to time, request the recipient to participate in promotional activities. Such activities will be done in full consultation with the recipient.
