

## HOW TO FIND US

---

We are conveniently located just minutes from Queen Street and close to parking and public transport.

### Directions:

- Coming from the southern motorway, take the Wellesley St off-ramp and turn left onto Wellesley St East. You will need to immediately get into the left hand lane and as soon as you do - turn left into the Main AUT Entrance. It's a bit tricky, especially in heavy traffic. If you miss it, do a circle around the block - turn left onto Mayoral Drive, then left again onto Wakefield St, left onto St Paul St and left back onto Wellesley St East and left again into the Main AUT Entrance – please refer to map.
- Coming from the northern motorway, take the Cook Street off ramp into the city and keep straight on this road which becomes Mayoral Drive after the first set of traffic lights. Keep going straight ahead at next two sets of traffic lights then turn right onto Wakefield Street at the fourth set. Turn left onto St Paul St and then left onto Wellesley St East and left again into the Main AUT Entrance – please refer to map.
- **NB** there is no right turn off Mayoral Drive onto Wellesley St East.
- There is no parking at the AUT City Campus except limited short term visitor's parking through Main Entrance.

### PARKING

To park on AUT grounds it is necessary to have a current parking permit or pay'n'display ticket clearly displayed in your vehicle, visible to parking attendants. Permits apply 24/7 all year round excluding public holidays.

There is limited short term visitor's parking (main entrance). Please take a note of the number of the park and your registration and report to security in WA building (directly opposite car park through glass sliding doors – security is on your left). They *maybe* able to issue a short term parking ticket.

24/7 – car parking is available at the Wilson's car parks in St Paul Street and Wakefield Street.

**Tow away will apply for non compliance.**

## *TOWING*

For all vehicles parked in unauthorised areas including the visitor car parks and/or displaying an incorrect permit, a written warning may be given prior to the vehicle being towed at the owner's expense. Parking in designated mobility spaces without the appropriate CCS permit will result in instant tow away. AUT uses the services of: Auckland Towing Company, 57 MacKelvie Street, Ponsonby, Ph 378 0780.

## *DISCLAIMER*

AUT accepts no responsibility for incorrect details supplied, damage or other loss to any vehicle and/or its contents whilst parked on University property or property leased by the University or when a vehicle is towed.

*Weekday* – car parking is available at the Wilson's car parks in St Paul Street and Wakefield Street.
