Medical & travel insurance

The New Zealand Government requires all international students to have appropriate insurance. Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of the treatment. That is why it is so important that you have medical and travel insurance while studying at AUT. To make it easy, we include AUT's default medical insurance, the Studentsafe Inbound University plan, as part of your Offer of Place.
