	Core course - Social, Environmental & Educational Strand
	Primary Teaching course - Curriculum Strand
	Primary Teaching course - Professional Practice Strand

To qualify for the Bachelor of Education (Primary Teaching or Pacific Primary Teaching), a student must achieve all 360 points, and must successfully complete the practicum requirements and any other obligations as detailed in the practicum handbook. A student would normally be expected to achieve the required points specified at each level in these regulations before being permitted to enrol in courses at subsequent levels

*Pacific Primary Specialty requires practica for EDPT704 and EDPT705 to be completed in a Pacific school, along with EDUC624, EDCR719 & EDCR736

**Te Reo Māori and Tikanga courses include classes at Ngā Wai o Horotiu marae at the City Campus
