	Core course - Social, Environmental & Educational Strand
	Early Childhood Teaching course - Curriculum Strand
	Early Childhood Teaching course - Professional Practice Strand

To qualify for the Bachelor of Education (Early Childhood Teaching or Pacific Early Childhood Teaching), a student must achieve all 360 points, and must successfully complete the practicum requirements and any other obligations as detailed in the practicum handbook. A student would normally be expected to achieve the required points specified at each level in these regulations before being permitted to enrol in courses at subsequent levels

*Pacific Early Childhood Specialty requires practica for ECET704 and ECET706 to be completed in a Pacific early learning service, along with EDUC624, EDCR719 & EDCR736

**Te Reo Māori and Tikanga courses include classes at Ngā Wai o Horotiu marae at the City Campus
