| 4. Weifang Tang | <ul style="list-style-type: none"> • Programming • Software Development • Computer Graphics • Game Programming • Object Oriented Application | <ul style="list-style-type: none"> • Data Structure and Algorithms • Database Design • Date Mining and Machine Learning • Algebra and Discrete Mathematics • Applied Statistics |

Master of Engineering

- | | |
|------------------|---|
| 1. Lin Xiao You | <ul style="list-style-type: none"> • Intelligent Systems • Radio Frequency Systems • Digital Signal Processing Applications • Research Project |
| 2. Tongrui Zhang | <ul style="list-style-type: none"> • Civil Engineering and Construction Engineering |
| 3. Xiaobin Yang | <ul style="list-style-type: none"> • Electrical Engineering Principles • Engineering Mathematics • Elements of Power Engineering • Synchronous and asynchronous machine • AC/DC rectifier • DC/AC inverter • Integrated analysis of power system • Research Methodology |

Communication and Academic writing

1. Chao Zhang
- Interpersonal Communication
 - Communicating
 - Academic Writing
 - Principles of Writing
 - Applied Media Ethics
 - Journalism
 - Media Communication
 - Intercultural Communication

Bachelor of Science (Environmental)

1. Wendy Fan
- Bio sampling and interpretation
 - Microbiology
 - Environmental Law
 - Fish and aquatic plants
 - Plants and animals
 - Evolution and ecology
 - Research technique
 - Terrestrial ecology
 - Biophysics
 - Environmental risk assessment
 - Conservation planning

Master of Marketing

1. Yicen Liu
- Consumer Behaviour
 - Marketing Management
 - Fundamentals of Marketing, Advertising, Retailing & Sales
 - Advanced Brand Management
 - Strategic Marketing Science
 - Consumption and Consumer Behaviour
 - Credibility and Trust in Advertising

Bachelor of Hospitality

1. Yicen Liu
Management & HR
- Hospitality Information Communication Technology
 - Hospitality Accounting and Finance
 - Customer Relationship Management
 - Hospitality Career Development
 - Hospitality Strategic Management
 - Service Marketing
 - A Social and Culture Perspective
 - Hospitality Organisational Behaviour and Interpersonal Skills
 - An Event Perspective
 - The Event Design Experience
 - Service Marketing
 - Marketing Management
 - Hospitality Sales and Marketing
 - Hospitality Human Resource Management

2. Joanne
- Culture and Society
 - Hospitality Accounting and Finance
 - Hospitality Organisational Behaviour and Interpersonal Skills
 - Undergraduate Writing for Academic Purposes
 - Applied Food and Beverage Management (Restaurant)
 - Applied Food and Beverage Management (Kitchen)
 - Hospitality Information Communication Technology
 - Knowledge and Inquiry
 - Event Planning
 - Facilities Development and Design
 - Hospitality Human Resource Management
 - Service Management for Hospitality
 - The Event Design Experience
 - An Event Perspective

Bachelor of Business

1. Dora Wang
Accounting & Finance
- Business In Context
 - Management and Organization
 - Economic Principles I
 - Taxation for Accounting Studies
 - International Corporate Finance
 - Financial Risk Management
 - Advanced Auditing
 - Management Accounting
 - Accounting Practice and System
 - Corporate Finance
 - Business Information Systems
 - Accounting for Decision Making
 - Fundamentals of Marketing, Advertising, Retailing and Sale
 - Quantitative Method of Business
 - Financial Modelling and Data Analysis
 - Advanced Management Accounting
 - Personal Finance
 - Financial Accounting for Companies
 - Investment and Portfolio Analysis
 - Introduction to Finance

Finance

1. Huiqing Tang
- Financial Management
 - Financial Modelling and Analysis
 - Statistics for Business
 - Investment and Risk Management
 - Corporate Financial Management
2. Ryan Li
Finance and Economics
- Statistics for Business
 - Financial Management
 - Corporate Financial Management
 - International Financial Management
 - Investment Analysis
 - Financial Modelling and Analysis
 - Interpretation of Accounting Reports
 - Economics for Business

Master of Professional Accounting

1. Li Su
 - Financial Accounting
 - Management Accounting for Business
 - Accounting for Strategic Decision Making
 - Advanced Financial Reporting
 - International Financial Statement Analysis
 - Introduction to Research Methods
 - Quantitative Research Methods and Analysis
 - Contemporary Issues in International Accounting

2. Wei Zhang
 - Accounting Information System
 - Economics for Business
 - Business Law
 - Managing Organisations and People
 - Law of Business Organizations
 - Taxation in New Zealand
 - Management Accounting for Business
 - Financial Accounting

English Support and Academic Writing

1. Nay
 - English Support

 2. Chien-Ju Ting
 - English Support
-
