**Communication and Academic writing**

1. Chao Zhang
- Interpersonal Communication
  - Communicating
  - Academic Writing
  - Principles of Writing
  - Applied Media Ethics
  - Journalism
  - Media Communication
  - Intercultural Communication

**Bachelor of Science**

1. Ella Zhao  
(Food Science)
- Knowledge enquiry and communication,
  - Biological Chemistry
  - Biophysics
  - General Chemistry
  - Biological Sampling and Interpretation
  - Process Engineering
  - Food Science
  - Food Microbiology
  - Food Technology
  - Physical Chemistry
  - Natural Products
  - Health Environment
  - Microbiology

**Master of Marketing**

1. Jennifer Lian
- Marketing Management
  - Managing Origination and people
  - Applied Marketing Concept
  - Understanding Consumers
  - Understanding Markets
  - Strategic Marketing Science
2. Yicen Liu
- Consumer Behaviour
  - Marketing Management
  - Fundamentals of Marketing, Advertising, Retailing & Sales
  - Advanced Brand Management
  - Strategic Marketing Science

**Bachelor of Hospitality**

1. Yicen Liu  
Management & HR
- Hospitality Information Communication Technology
  - Hospitality Accounting and Finance
  - Customer Relationship Management
  - Hospitality Career Development
  - Hospitality Strategic Management
  - A Social and Culture Perspective
  - Hospitality Organisational Behaviour and Interpersonal Skills
  - An Event Perspective
  - The Event Design Experience
  - Service Marketing
  - Marketing Management
  - Hospitality Sales and Marketing
  - Hospitality Human Resource Management
  - Service Marketing

**Bachelor of Business****1. Yunfeng Feng  
Marketing & Economics**

- Business In Context
- Management and Organization
- Economic Principles I
- Introduction to Entrepreneurship and Innovation

- Accounting for Decision Making
- Fundamentals of Marketing, Advertising, Retailing and Sale
- Economics
- Quantitative Method of Business

**2. Lisa Lee  
Accounting & Management**

- Business In Context
- Management and Organization
- Economic Principles I

- Quantitative Methods for Business
- Business Information Systems
- Accounting for Decision Making

**3. Cherry Ou  
Accounting**

- Accounting for Decision
- Management and Organization

- Business in Context
- Quantitative Methods for Business

**4. Mary Xu**

- Business In Context
- Management and Organization
- Economic Principles I

- Quantitative Methods for Business
- Accounting for Decision Making
- Introduction to Finance

**Finance****1. Huiqing Tang**

- Financial Management
- Financial Modelling and Analysis
- Statistics for Business
- Investment and Risk Management
- Corporate Financial Management

**2. Jenny Xu**

- Economics for Business
- Statistics for Business
- Financial Management
- Corporate Financial Management
- International Financial Management
- Investment and Risk Management
- Financial Modelling and Analysis

**Master of Professional Accounting**

1. Li Su
  - Financial Accounting
  - Management Accounting for Business
  - Accounting for Strategic Decision Making
  - Advanced Financial Reporting
  - International Financial Statement Analysis
  - Introduction to Research Methods
  - Quantitative Research Methods and Analysis
  - Contemporary Issues in International Accounting
  
2. Jenny Xu
  - Financial Accounting
  - Economics for Business
  - Law of Business Organisations
  - Managing Organisations and People
  - Accounting Information System
  - Business Law

**English Support and Academic Writing**

1. Wei Teng
    - English Support
  
  2. Nay
    - English Support
-
