

DOMESTIC TUITION FEES

2019

All efforts have been made to provide an accurate estimate of the fees associated with full-time study for each qualification based on previous student enrolments. The range presented for some qualifications reflect the flexibility in paper selection and the ability to include some papers with higher fees. The range shown should not be considered a maximum or minimum annual fee for each programme of study as exact fees will depend on the specific papers selected and the resulting invoice provided to you.

* Courses marked with an asterisk are the full tuition fee for a programme of 60 points. All others are based on 120 points (1 year) of the associated qualification.
