1. The standard programmes PGCertHSc and PGDipHSc allow students to explore 'non-technical' paramedic skills such as Leadership & Management. Please consult with the PG programme leader if you intend to enrol in these programmes.

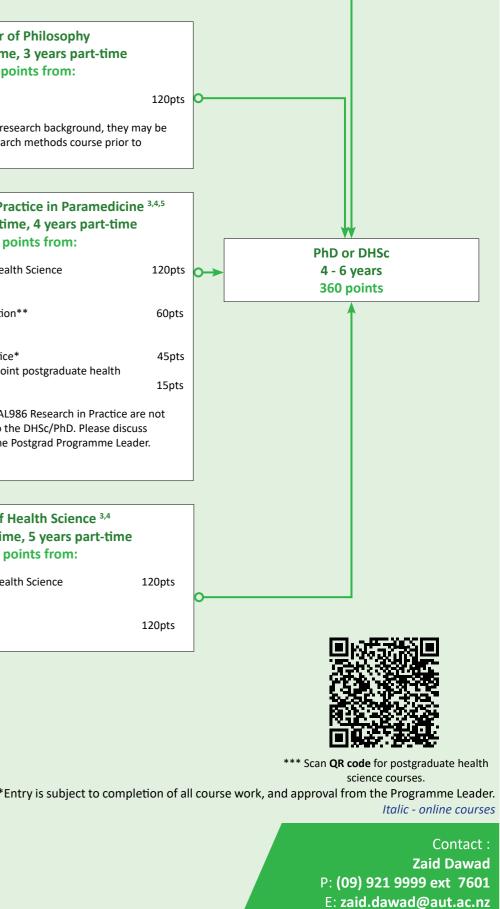

2. If your focus is **Extended Care Paramedicine** we recommend that you study the following course(s): **PARA808, HEAL824, PHMY803**.

3. If your focus is Critical Care Paramedicine we recommend that you study the following course(s): PARA805, PARA802, PARA806.

4. The MHPrac in Paramedicine does not necessarily allow progression to doctoral studies.
