APPLICATION AND ENROLMENT PROCESS

Step One

Before you begin, make sure that you plan ahead and give yourself a realistic amount of time to prepare for your intended start date. It is a good idea to research the programmes of study you are interested in, what they involve, and what will be expected of you throughout your studies. Check the application guidelines at:
www.aut.ac.nz/apply

Step Two

To study at AUT you will need to apply either directly to the University or through an AUT registered agent. AUT registered agents can apply for you online. Applicants can apply online or complete this International Student Application form, ensuring all sections are completed in full, and that the programme of choice is clearly indicated. **You will need to supply the required documentation otherwise this will delay your application.**

Step Three

When we receive your application you will receive an acknowledgement email. Complete applications may take up to one week to assess. Applications for programmes with additional requirements, seeking credit transfer or which require academic approval may take longer than these standard times to assess.

Step Four

Successful applicants will receive an Offer of Place letter, which will give advice on tuition fees, learner services levy, enrolment fees, insurance fees, and date of payment.

Step Five

The applicant can accept the offer by signing the acceptance of offer form and returning a copy by email to the University Admissions Office or the Student Hub. You can accept an Offer of Place online at <http://arion.aut.ac.nz>

When your fees have been received, a receipt will be issued. This must be presented to the nearest Immigration New Zealand office with a copy of your Offer of Place in order to obtain a student permit/visa. Your correct student permit/visa must be presented to AUT to help complete enrolment prior to the start of your programme.

To guarantee an applicant's place in the programme, acceptance must be received with full payment of fees by the due date. In the case that all places in the programme are taken at the time you decide to pay the fees and accept the Offer of Place, we will offer you a place in the next available intake.

Step Six

Congratulations. It is now time to obtain your visa, prepare for your travel, orientation and life as a student in New Zealand.

HOW TO CERTIFY YOUR DOCUMENTS

We require proof of identity and eligibility to study from all new applicants to AUT.

If you have studied in New Zealand, we will use the National Student Index (NSI) database and match your details to an active National Student Number (NSN). If a match can't be found then you will be notified and asked to provide certified documentation as proof of identity and eligibility to study at AUT (for example a passport or birth certificate).

Legal certification (proof that a photocopy is a true copy of the original document) is very important and can be done in several ways:

If overseas:	If in New Zealand:
Take the original document and a photocopy of it to your country's equivalent of one of the following:	Bring the original document to AUT and a photocopy of the original and show it to either the Student Hub, departmental/faculty administration staff or the International Centre. The copy will be signed by the staff member as being a true and accurate copy OR take the original document and a photocopy of it to a:

A document must be legible and have "certified true copy of the original" stated on the document, the full name, signature and title/position of the person certifying the document, and an official stamp.

Please don't send original documents as they will not be returned.

The University may suspend or terminate your enrolment if any falsified documents are discovered during the application or enrolment process, or during your study.

PRIVACY

The personal information collected at the time of your enrolment will be held on the student administration database and will be made available only to authorised staff of the University. FEES INFORMATION

- The fees for programmes of study offered to international students are generally set in the second quarter of the preceding academic year.
- Tuition fees are set annually by the university council and are for the calendar period of January to December.
- The international fee for one year of full-time study will be advised in the Offer of Place. The fees stated will be applicable only to the calendar year (January–December) in which the programme is commenced. If the programme extends for one or more semesters in a subsequent calendar year(s) the student will be required to pay all fees applicable for that calendar year(s).
- Please note that the Offer of Place is valid for the entire period of study in a programme provided that the student has a current permit/visa. All students must keep a copy of the Offer of Place for their records.
- Immigration New Zealand (INZ) requires that international students undertake full-time study to comply with the conditions of their student permit. Full-time study at Auckland University of Technology is deemed to be 120 points per year, or 60 points per semester.
- All international students are required to pay a non-refundable NZ\$150 enrolment fee for their first year of study only.
- All first year international students must pay all fees as detailed in the Offer of Place by the stated due date. The fees noted on the offer will be tuition fees, learner services levy, enrolment fee and medical and travel insurance fee (if insurance arranged through AUT).
- A student will not be enrolled at Auckland University of Technology until all fees are paid in full. If the tuition fees are not paid in full by the required date then the student will be withdrawn from the programme. Immigration New Zealand (INZ) will be advised that the student is no longer studying at Auckland University of Technology.
- If you are making a payment via a scholarship or financial guarantee, evidence of fees to be paid must be provided for the full programme of study one month prior to the start of the semester.
- If an international student is studying more than 120 points per year or 60 points per semester, additional tuition fees will be payable based on the number of additional credit points studied.
- If the fee calculated at the time of enrolment into papers is less than that detailed on the Offer of Place, any credit balance on the student's account will be held by the University and applied to a subsequent enrolment. The amount of the credit balance is not available as a refund and any credit balance that remains outstanding for a period of two years or more will be forfeited.

NOTE ABOUT RETURNING INTERNATIONAL STUDENTS:

- All returning international students are required to pay the fee calculated on their invoice which is based upon the enrolment into papers in their chosen programme of study.
