PROGRAMME SCHEDULE 2018

CITY CAMPUS MAP

WELCOME TO AUT

Welcome to AUT LIVE, the most open day. Your future can be a big decision, and we want to help you make the right one. At AUT LIVE, each study area has a dedicated space on campus where you can chat with our academics and ask any questions you have about study at AUT in 2019. Our Student Hub team can help you with your application and enrolment. Programme sessions for specific study areas and student life run from 9am and generally last 45 minutes. The final programme session starts at 2pm. To help plan your day refer to the campus maps and the programme schedule included in this quick guide. Make sure you allow enough time to travel between buildings for your session. Parents are more than welcome to all information sessions.

REFILL, NO LANDFILL

With over 10,000 people on campus today, there's the potential to generate a lot of waste. As part of AUT's commitment to sustainability, we're reducing the number of plastic bottles disposed of today. That's why we encourage you to bring your own refillable bottle. You'll find refill stations based in all of our main buildings today, including several in WG Building.

ACCESSIBILITY ENQUIRIES

If you have specific access needs and require assistance, the AUT accessibility team will be available to answer any of your queries. Visit us at the information booth on WA Level 2, WA Building between 9am and 4pm.
