

S1 Intake Study Plan

- Once you have made your selections, please go to [MVAUT](#) to complete your enrolment.
- **Courses listed below are offered only once a year.** When completing your enrolment, ensure you select the appropriate course for the corresponding semester.
- Pre-requisites are shown in **brackets in bold** after each course; please check these to ensure you have completed all necessary pre-requisites before you make your selection.
- You must complete all **year 1** courses before you can progress to **year 2** courses, and so on.
- Elective courses can be selected using [this link](#). Please obtain approval from the relevant department offering the course before notifying us to proceed with your enrolment.
- Course level is the first digit of the numeric part of the alphanumeric code (E.g., ENBU503 is a level **5** course).
- **ENBU777 Work experience** is a compulsory requirement for the BCon programme. Every student on the programme must complete 600 hours of approved practical work in the industry during their studies and submit their reports in the last semester of their study. Please check [here](#) for more information.
- For enrolment queries or issues, please email bcon@aut.ac.nz

*pp: Professional Practice (compulsory minor) 15pts from level 5: ENBU506; 30pts from level 6: ENBU614, ENU618; 15 pts from level 7: ENBU717

*CE: Construction Economics (optional minors) 30pts from level 6: ENBU602, ENBU617: 30pts from level 7: ENBU718-719

* Students need to enrol in ENBU777 during their final semester of study. There is no fee associated with ENBU777 Work Experience.
