- 1 In order to be admitted to the Master of Engineering an applicant must have completed the following or equivalent:
 - (a) the Bachelor of Engineering (Honours) *or*
 - (b) the Postgraduate Diploma in Engineering *or*
 - (c) the Bachelor of Engineering Technology including ENGE601.
- 2 An applicant must normally have completed the admission qualification with a B grade average or higher.

Completion Requirements

- 3 To qualify for the Master of Engineering, a student who is granted admission to the programme on the basis of having completed 1(a) or (b) above must achieve 120 points by successfully completing 120 points from the structure below including the thesis or research project.
- 4 A student who is granted admission to the programme having completed 1(c) must achieve 180 points by successfully completing the requirements in the structure below.
- 5 A student may substitute up to 30 points with papers from another postgraduate programme with the approval of the programme leader.
- 6 A student would normally be expected to complete all the coursework requirements before enrolling in the thesis or research project.
- 7 A student with an average grade for the coursework papers falling below a B prior to enrolling in the research project or thesis may be required by the examination board to have their points reassigned to the Postgraduate Diploma in Engineering or the Postgraduate Certificate in Engineering.

These regulations are to be read in conjunction with all other relevant statutes and regulations, including the General Academic Statute and General Academic Regulations.

Admission

- 1 In order to be admitted to the Master of Geographic Information Science, an applicant must have:
 - (a) completed a bachelor's degree, normally with a B grade average or higher in papers at level 7, or equivalent, *and*
 - (b) been accepted by the Director of the Joint Board of Studies as capable of proceeding with the proposed course of study.
- 2 In exceptional circumstances, an applicant may be admitted on the basis of relevant professional or practical experience, as approved by the Director of the Joint Board of Studies.

Completion Requirements

- 3 To qualify for the Master of Geographic Information Science, a student must achieve 240 points by successfully completing the following:

Part 1: 120 points: coursework

 - (a) core papers: 60 points: GISC401–404 *and*
 - (b) one or both papers from GISC405–406 *and*
 - (c) one or more papers from GISC410–416 *and*
 - (d) any remaining points from the papers listed in the Master of Geographic Information Science Table.

Part 2: 120 points: Thesis GISC591
- 4 A student may substitute up to 30 points in 3 (c) above with any other postgraduate papers with the approval of the Director of the Joint Board of Studies.
- 5 A student who is granted admission to the programme on the basis of having already completed the Postgraduate Diploma in Geographic Information Science with a B+ average or higher must achieve 120 points by successfully completing the thesis.
- 6 A student with an average grade for the coursework papers falling below a B prior to enrolment in the thesis may be required by the examination board to have their points reassigned to the Postgraduate Diploma in Geographic Information Science.
- 7 Where a student has transferred into the Master of Geographic Information Science and is required to complete 120 points, the time limit to complete shall be a minimum of one year and a maximum of three years.

Recognition of Prior Learning

- 8 At the discretion of the Director of the Joint Board of Studies, a student may be awarded credit of up to 30 points towards the coursework papers provided they have not been credited to a complete qualification before enrolment.
